16TH NATIONAL CONFERENCE

SELSICON

2023

॥वसुधैव कुटुम्बकम्॥

Organised by Galaxy Care Multispeciality Hospital & Symbiosis Medical College Pune

Dates: 27th to 29th October 2023

Venue: Hotel JW Marriott Pune

CONFERENCE THEME: EXCELLENCE IN MINIMAL INVASIVE SURGERY

6 MMC CREDIT POINTS

LIVE UTERINE TRANSPLANT FIRST TIME IN THE WORLD.

- 200 NATIONAL & INTERNATIONAL FACULTIES
- 3D TRANSMISSION
- ROBOTIC SURGERIES
- NON CAVITARY SURGERIES - THYROID, NECK DISSECTION, PAROTIDECTOMY INGUINAL BLOCK DISSECTION

In association with IAGE & PSS

Welcome MESSAGE

Dear Colleagues,

We are pleased to invite you to attend the forthcoming 16th Annual National Conference of SELSI being organised at Pune from 26th to 29th October 2023. This meeting is likely to be the largest gathering of experts in minimally invasive surgery after the Covid pandemic and will showcase the advances in MIS and Robotic Surgery as on date by leaders and pioneers in their respective fields. Besides live surgeries, key note lectures, symposia and panel discussions, this meeting has a pre-conference CADAVERIC WORKSHOP for the first time in a National Conference. The MCLS FCLS examinations and the convocation would also be held in this annual event.

We are grateful to Dr. Shailesh Puntambekar and his excellent team for accepting to host this meeting at Pune. We are sure his organisational skills will be showcased in this mega event which would combine GROS and we warmly welcome their participation in this conference.

We urge you to attend this meeting and various sessions that interest you and enjoy the hospitality of Pune and Maharashtra.

Prof. Pawanindra Lal
President, SELSI

Dr. Amit Srivastava
Secretary, SELSI

Message from the CHAIRPERSON

Dear Colleagues,

It gives me immense pleasure in welcoming you to the National Conference on excellence in minimal invasive surgery jointly organized by Symbiosis Medical College for Women (SMCW) and Symbiosis University Hospital & Research Centre (SUHRC) under the aegis of Symbiosis International (Deemed University), Society of Endoscopic & Laparoscopic Surgeons of India (SELSI) and Galaxy Care Multispecialty Hospital from 27th to 29th October 2023.

SMCW is the first fully residential college exclusive for women in India. SUHRC is the hospital attached to Symbiosis Medical College for Women. SUHRC is currently 866 bedded, tertiary care, NABH Accredited hospital and is located within the Symbiosis International (Deemed University) Campus, Lavale, Pune.

This three-day event covers didactic lectures, protocol-driven and evidence-based live robotic and Laparoscopic surgeries performed by internationally acclaimed surgeons. Thus, this conference is a must-attend event.

At the end of the conference, I am sure you will cherish experience of excellence in minimal invasive surgery.

Wish you all the best!

Thank you,

Dr. Rajiv Yerawadekar
Chairperson

Message from the ORGANIZING SECRETARY

Dear Friends,

GROS is back after 7 years of gap. The last conference we conducted in 2015 was attended by 1200 surgeons & gynecologists. We have planned this mega event again from 27-29 October 2023 at J.W. Marriott Pune. This is a national SELSI conference jointly organized by Symbiosis medical college for women & Symbiosis hospital with Galaxy Care Multispeciality Hospital. The highlights of this congress are Galaxy of faculties both national and international in surgery, oncology & gynecology. We plan to do more than 40 live surgeries. The live surgeries will be streamed live in two separate halls with 2 screens each. One hall will be dedicated to only gynecology surgeries (both benign and cancer) and other hall will be dedicated for surgical cases (both benign & cancer).

This will be the first time when non-cavitary surgeries like neck dissection, thyroidectomy, parotidectomy & inguinal block dissection will be shown live. Additionally, all types of Hernia surgeries, colorectal & esophageal surgeries will be shown. There will be all live surgeries from Pune and hence you can meet the experts in person following the surgery. The biggest highlight would be Uterine Transplant which we propose to show live or pre-recorded. J.W. Marriott is one of the finest hotels with excellent rooms, spa and shopping options.

I, am sure you will have a great academic feast along with excellent hospitality.
I sincerely invite all of you to join us in Pune.

Thank you,
Dr. Shailesh Puntambekar

ORGANIZING COMMITTEE

Dr. Arun Jamkar

SCIENTIFIC HIGHLIGHTS

- To enhance the best talent/experts on India.
- 200 invited faculties from all over the country, International Experts in each field.
- Star attraction:
  1) All varieties of surgeries under one roof
  2) All transmissions in 3D
  3) Robotic surgeries
- First time showcasing Non cavitary surgeries.
  1) Endoscopic thyroids
  2) Endoscopic radical node dissection
  3) Endoscopic Parotidectomy block dissection
  4) Endoscopic Parotidectomy
  5) Endoscopic Sleeve gastrectomy
  6) Endoscopic POEM

PROGRAMME

PRE CONFERENCE PROGRAM: 26TH OCTOBER, 2023

FCLS fellowship in Lap | Limited registrations of maximum 100

TIME	TOPIC
09:00 - 12:30 pm	Didactic lectures
12:30 - 02:00 pm	Dry Lab
02:00 - 05:00 pm	Cadaveric Lab
05:00 - 06:00 pm	Exams

DAY 1: 27TH OCTOBER, 2023

TIME	TOPIC
9:00 - 11:00 am	Morning exams

Conference starts on 27th afternoon 1:00 PM Post Lunch

TIME	HALL A	HALL B	HALL C
01:00 - 06:00 pm	(General Surgery) GB, Hernia, Fundoplication, Rectopexy, complications, AWR	(Advanced Laparoscopy Thyroid, Obesity, Colorectal, Upper GI – Oesophagus & Stomach, HPB)	Gynaecology - Innovations & new technology
06:00 - 06:30 pm	Presidential Oration		
06:30 - 07:00 pm	SELSI Oration		
07:00 - 07:30 pm	Inauguration with convocation		
08:30 pm onwards	Dinner at J.W. Marriott		

SCIENTIFIC HIGHLIGHTS

LECTURE LIST: SURGERY

1. GB
1. Difficult Cholcystectomy
2. CBD Exploration
3. Management of CBD Strictyre
4. Choledochal Cyst
5. Complications of Gall Bladder Surgery

2. HERNIA
1. Inguinal Lap Surgical Hernia - TEP
2. Inguinal Lap Surgical Hernia - TAPP
3. Inguinal Complications of TEP/TAPP
4. Inguinal Redo Surgery following Lap TEP/TAPP

3. INCISIONAL HERNIA
1. IPOM
2. E-TEP RS Repair
3. TAR
4. Complications of AWR

4. HIATAL HERNIA
1. Lap Nissen Fundoplication
2. Diaphragmatic Hernia
3. Re-Do following Fundoplication
4. Heller Surgery for Achalasia cardia
5. Endoscopic Hellers (POEM)

5. OBESITY (METABOLIC SURGERY)
1. Sleev Gastrectomy
2. Gastric By-Pass
3. Mini Gastric By-Pass (MGB)
4. Balloon Insertion
5. Endoscopic Sleeve Gastrectomy

6. THYROID SURGERY
1. Cervical Approach
2. Transoral Approach
3. Transaxillary Approach
4. Robotic Thyrodectomy
5. Complication following Thyroidectomy

7. THORAX
1. Decortication
2. Diagnostic Thoracoscopy and its role
3. Sympathectomy
4. Thymectomy
5. Sequestered Lung Resection

8. ENDOCRINE SURGERY
1. Lap Cystogastrostomy
2. Lap Pancreatic Necrosectomy
3. Lap Neuroendocrine Tumor
4. Lap Splenectomy
5. Lap Adrenalectomy
6. Lap Nephrectomy

LECTURE LIST: GYNAECOLOGY

1. HYSTERECTOMY
1. Role of Uterine Artery Ligation
2. Tips for removal of large uterus
3. Complications of Hysterectomy
4. NOTES in Vaginal Surgery
5. Difficult Hysterectomy following previous multiple surgeries

2. ADNEXAL MASSES
1. Pre. Op. diagnosis - How and what investigations
2. Tackling unknown Adenexal Masses
3. Lap in Dermoid Teratoma and Dysgerminoma
4. Lap in Stromal Cell Tumor
5. Role of Lap in Ovarian Cancer
6. Role of HIPEC in Ovarian Cancer

3. CERVICAL CANCER
1. LACC Trial - Background
2. Shape Trial / RACC Trial
3. What is the role of Laparoscopy following Shape Trial
4. Exentration in Cervical Cancer
5. ICG in Cervical Cancer
6. Open Radical Hysterectomy

4. HYSTEROSCOPY
1. Power Morcellation
2. RPOC in Hysteroscopy
3. Asherman Syndrome
4. Fibroid Removal
5. Tubal Cannulation
6. Septal Resection in Hysteroscopy
7. Latest development in Hysteroscopy

5. FISTULAS
1. RVF-Laparoscopic
2. UVF-Laparoscopic
3. UVF-Lap-Robotic
4. Bilateral Ureteric Injuries
5. Redo Fistulas-laparoscopic

6. ENDOMETRIUM
1. Role of Hysteroscopy in Endometrial Cancer Diagnosis - Does it upstage
2. Biological Markers and its relevance in Endometrial Cancer
3. ICG in Endometrial Cancer
4. Role of Paraaortic Dissection in Endometrial Cancer
5. Nerve Sparing Surgery in Endometrial Cancer
6. Robotic Para Aortic Dissection

SCIENTIFIC HIGHLIGHTS

LECTURE LIST: SURGERY

9. COLORECTAL

1. Lap Hemicolectomy
2. Lap LAR/APR
3. Lap Total Proctocolectomy
4. Lap Coloanal Anastomosis
5. Robotic LAR
6. Complications of Colorectal surgery

10. STOMACH

1. D2 Gastrectomy
2. Robotic Gasterectomy
3. Lap Billroth II/I
4. Total Gastrectomy with Oesophago Jagumal Intracorporeal Anastomosis
5. Complications following Gasterectomy

11. OESAPHAGUS

1. Robotic TTE
2. Lap THE
3. Lap Ivor Levis (TTE)
4. Lap Leiomyoma of Esophagus
5. Complications of MIS in Esophageal

12. HEPATOBILIARY

1. Lap Radical Cholecystectomy
2. Lap Whipples/Robotic
3. Lap Distal Pancreatectomy
4. Lap Neuroendocrine Tumors of the Pancreas
5. Lap Hepatic Resection Palliation
6. Laparoscopic Choledochojejunostomy
7. Complications following Lap Hepatobiliary Surgery

LECTURE LIST: GYNAECOLOGY

7. PELVIC FLOOR

1. Anatomy of Pelvic Floor related to Prolapse
2. Cervico Sacropexy
3. Lap Pectopexy
4. Lap / Vaginal Mesh Repair for Cystocele
5. Local Tissue Repair for Prolapse
6. Complications of Prolapse Surgery

8. FIBROID

1. Statistical data of Leiomyosarcoma in Myoma
2. Power Morcellation - Role in present era
3. Is In Bag Morcellation safe
4. Vaginal Morcellation
5. Robotic Myomectomy
6. Tackling Cervical Fibroids

9. ENDOMETRIOSIS

1. Medical Management of DIE
2. Cystectomy with Ovarian Function Preservation
3. Rectal shaving of the Endometriotic Nodule
4. Bowel Resection in Endometriosis
5. Uretric Endometriosis
6. Bladder Endometriosis
7. Complications of Endometriosis
8. Nerve Sparing in Endometriosis

DAY 2: 28TH OCTOBER, 2023

TIME	HALL A	HALL B
08:30 - 05:00 pm	**Screen 1** • Hernia • Fundoplication • AWR • Thyroid • Rectopexy • Cholecystectomy • CBD exploration **Screen 2** • Colorectal • Oesophageal Surgery • Whipples • Robotic Surgery • Obesity Surgery	**Screen 1** • Benign • TLH • Myomectomy • Tubal recanalization • Robotic Hysterectomy • Robotic TLH • Advanced masses • Burch Repair • Prolapse **Screen 2** • Endometriosis • Endometrial cancer • Cervical cancer • Ovarian cancer • Bowel Resection
05:00 - 07:00 pm	Invited Videos / Lectures Free papers	Invited Videos / Lectures Free papers
07:00 - 08:00 pm	Awards for the best papers and felicitation of senior members of SELSI & renowned teachers.	
08:00 pm onwards	Banquet	

DAY 3: 29TH OCTOBER, 2023

TIME	HALL A	HALL B
08:30 - 02:00 pm	**Screen 1** • Hernia • Complicated surgeries • Robotic Fundoplication • Cholecystectomy • Robotic Cholecystectomy **Screen 2** • Endoscopic Sleeve gastrectomy • Coloanal • Trans oral thyroid • Endoscopic neck dissection • Endoscopic parotid • Endoscopic inguinal block dissection	**Screen 1** • Robotic myomectomy • Robotic TLH • Complicated Benign surgeries **Screen 2** • CCT in Endo… Cancer • Bowel resection in Endometriosis • Robotic LRH • Paraaortic dissection
02:00 - 04:00 pm	Invited Talks	Invited Talks
04:00 pm	Valedictory Function
