23<sup>rd</sup> to 25<sup>th</sup> February 2017

1<sup>ST</sup> INTERNATIONAL  
CONFERENCE ON OFFICE

## HYSTEROSCOPY WORKSHOP

1st Time in India  
Single Faculty, Single Theme Workshop  
by **Prof. Stefano Bettocchi**

Venue: Hotel Conrad, Pune.

**Prof. Stefano Bettocchi**

Pioneer world leader in office Hysteroscopy  
Bari, Italy

**Dr. Shailesh P. Puntambekar**

Organizing Chairperson

## CHAIRMAN'S MESSAGE

Dear Friends and colleagues,

It gives me immense pleasure to invite you to "INSIGHT 2017", workshop on Ambulatory Hysteroscopy on 23rd Feb to 25th Feb 2017.

Hysteroscopy, the gold standard in evaluation and treatment of intrauterine pathology was once considered the Cinderella Subspeciality of Gynecologic endoscopy, difficult and laborious to master. Technical innovation, the advent of miniature scopes, camera systems, endomats and bipolar cautery have made hysteroscopy patient friendly procedure in the office setting.

The main highlight of "INSIGHT 2017" being the world famous and pioneer in office hysteroscopy Prof. Stefano Bettocchi from Bari, Italy. He has been instrumental in development of miniature hysteroscope, the introduction of 'no-touch' i.e. vaginoscopic technique and propagation of office hysteroscopy to the younger generation. This is the first time in India that Prof. Stefano Bettocchi is conducting a single faculty teaching three days live surgery workshop.

We at Galaxy have been performing office hysteroscopy for the last 5 years. All our students have been trained with Prof Bettocchi and follow the same technique.

Being a high volume teaching Centre with MUHS fellowship and DNB courses, Galaxy Care is committed to the task of propagating what is latest in the field of minimal invasive surgery - in this case hysteroscopy, we believe that the hysteroscope should be a part of the armamentarium of all gynecologists.

So be a part of the master class by the pioneer in office hysteroscopy Prof Bettocchi. Dont miss the academic feast!!

We look forward to welcoming you to the single theme three day didactic office hysteroscopy course at The Conrad, Pune.

The workshop will have MMC credits.

## COMMITTEES
