Dr. Shailesh P. Puntambekar
Organising Chairperson

CHAIRMAN'S MESSAGE

Dear Friends,

Galaxy Care Multispeciality Hospital is organizing the 3rd single theme conference from the 17th to 19th April 2020 at Hotel J.W. Marriot, Senapati Bapat Road Pune.

The theme of this conference is Advanced Laparoscopic Pelvic surgery. The main focus of this conference is to revisit and relearn Pelvic anatomy and understand how this knowledge of anatomy can help you to navigate during difficult surgeries irrespective of the type of surgery (Gynaecology, Urology or Colorectal). The foundation is anatomy and keeping this aim in mind we have planned a 2-day live conference focusing on live surgeries. The entire workshop will be done with 3-D system.

The cases we are planning to show:

- **DIE (Deep Infiltrating Endometriosis)**
- **Endometrial Cancer**
- **Cervical Cancer**
- **Pelvic Exenterations**
- **Advanced Pelvic Floor Procedures**
- **Bowel Resection in advanced endometriosis**
- **Ureteric Re-implantation VVF Repair**

The surgical procedures which will be demonstrated are:

- **Low Anterior Resection**
- **Abdominal Perianal Resection**
- **Rectal Prolapse**
- **Total Proctocolectomy**
- **CystoProstatectomy**
- **ProctoColectomy**

Simultaneous projection in 2 separate halls would take place for gynae and surgery cases. Thus, the gynaecologist can enjoy 2 days of advanced gynae surgeries in one hall or visit the surgical hall & witness some rectal resection while the surgeons can enjoy both surgical & gynae cases.

Eminent national & international faculties will be participating in the surgical workshop. The conference starts post lunch on Friday 17th April 2020. There will be dedicated lectures from afternoon to late evening while 18th & 19th will be live procedures. The CMR Robot which is the latest robotic system from Britain will be the new attraction and live robotic surgical procedures will be shown with this new technology. The CMRs first clinical installation was at Galaxy Care Multispeciality Hospital and we would be demonstrating a few robotic procedures with this Robo.

The entire academic event will be followed by wonderful social dinners. The registration fees include 3 lunches, 2 dinners and 2 breakfast at Hotel J.W. Marriot.

So, friends do not miss the opportunity to watch the entire live Pelvic Anatomy & Advanced laparoscopic & robotic and Pelvic procedures. We hope to see you all in Pune!

COMMITTEES

Organizing Chairperson:	Dr. Shailesh Puntambekar
Organizing Secretary:	Dr. Milind Telang Dr. Pankaj Kulkarni Dr. Ravindra Sathe Dr. Mangesh Panse
Joint secretary:	Dr. Mihir Chitale Dr. Manoj Manchekar
Treasurer :	Dr. Vinod Chippa Mrs. Kalyani Pandit
Workshop Committee :	Dr. Seema Puntambekar
Registration and Reception :	Mrs. Purva Bhosale

NATIONAL FACULTY

Faculty Gynecology

Dr. Prakash Trivedi
Dr. Sunita Tandulwadkar
Dr. B. Ramesh
Dr. Sanjay Patel
Dr. Alka Kriplani
Dr. Neeta Warty
Dr. Ameya Padmawar
Dr. Vivek Salunke
Dr. Nitin Shah
Dr. Kurien Joseph
Dr. Rekha Kurien
Dr. Malvika Sabharwal

Surgeons

Dr. M.C. Mishra
Dr. Vivek Bansal
Dr. Jasdeep Singh
Dr. Subash Khanna
Dr. N.C. Pandey
Dr. Jayesh Shah
Dr. Raj Sunderam
Dr. Harit Chaturvedi
Dr. Siddharth Hazarika
Dr. Madhav
Dr. Aiyappan
Dr. Kiran Kothari
Dr. Rajesh Bhojwani
Dr. A.K. Mathur
Dr. Raj Gajbayee
Dr. Mukund Thakur
Dr. Kapil Kumar
Dr. Shailesh Shrikhande
Dr. Pradeep Jain
Dr. Rudra Acharya

Faculty- Urology

Dr. Mahesh Desa
Dr. Pranjal Modi

Anaesthetics Team

Dr. Joy Jana
Dr. Ujwal Deshmukh
Dr. Yashodhan Deshpande
Dr. Uttam Sidhaye
Dr. Avinash Pare
Dr. Khurjekar
Dr. Sameer Kulkarni
Dr. Natraj Sadafule

INTERNATIONAL FACULTY

Dr. Sara Lee - Korea
Dr. Yoichi Aoki - Japan - Tokyo
Dr. Stephen Jeffery - South Africa
Dr. Mark Slack - London

GALAXY TEAM OF DOCTORS

Dr. Priyesh Halgaonkar
Dr. Kshitij Manerikar
Dr. Arjun Goel
Dr. Suyog Bharambe
Dr. Rajesh K.
Dr. Mangesh Hivre
Dr. Swapnil Pawar
Dr. Bhushan Kinholkar
Dr. Swati Kadam
Dr. Pansare
Dr. Hardikar

PROGRAM

Day 1 17/04/2020

12 :00 pm to 1:30 pm	Lunch and Registration
1:30 pm to 3:00 pm	Pelvic Anatomy : newer concepts, Applied anatomy, Pelvic Anatomy, Neuropelveology, Fascia and spaces etc.
1:30 pm to 3:00 pm	Colorectal surgery benign and malignant
3:00 pm to 4:30 pm	Hernia- newer techniques, inguinal Hernia-TAPP
3:00 pm to 4:30 pm	DIE
4:30 pm to 6:00 pm	Colorectal surgery benign and malignant
4:30 pm to 6:00 pm	Laparoscopic treatment of gynecological cancers- LRH, Exenterations, Panhyst., ovarian Cancers, Pelvic Lymph node dissection
6:00 pm to 7:00 pm	Free papers
7:30 pm onwards	Dinner

Day 2 18/04/2020

07:30 am	Live surgery- Robotic Radical Hysterectomy with BPLND
08:30 am to 9am	Breakfast
9 am to 6 pm	Live surgeries Two Halls for Surgery and Gynecology Cases to be shown - Lap pelvic lymphadenopathy , Lap rectal resection for endometriosis, lap for recurrent prolapse, lap ureteric reimplantation.
7:30 pm onwards	Dinner

Day 3 19/04/2020

07.30 am	Live surgery
